

# 30% off BUPA Health Screening

Healthwise has teamed up with BUPA Health Screening to offer you a substantial discount off the cost of a Health screen. The time period is **limited** so it's important that you do not delay.

This offer is only available to companies who are prepared to set up a BUPA Health Screening Account and pay for the cost of the Health Screen from a business account.

## Requirements

- Set up the Health Screening Account in April 2018.
- You must screen at least two employees
- You will be required to provide the name and contact details of the staff you wish to screen along with their email address.
- Once the Group is set up you can then take advantage of these rates for any additional staff you want to screen until the end of March 2019.
- This offer is currently live but can be withdrawn by BUPA at anytime so act now

Product Name	Standard rate	30% off
Health Peak	£854	£598
Health Peak plus Mammography	£958	£702
Health Enhance	£658	£461
Health Enhance plus Mammography	£762	£565
Health Mature	£723	£506

## Why should you have a Health Screen

As we all know prevention is better than cure and yet we take steps to service our Cars and Central Heating systems to ensure they don't break down and yet we ignore our own health.

We see clients on a regular basis who have all the insurance policies they need to pick up the pieces if things go wrong, however they do little or nothing about Health prevention.

Unfortunately we are not invincible, like your Car or Central Heating system things do wear or out and issues can arise, a Health Screen can help to identify these anomalies.

Ask yourself - "do you travel abroad or do you send staff overseas on business" if the answer is "yes" it's advisable to have a Health Screen and of course take out appropriate Travel insurance cover for them.

Even if you don't send staff abroad you could just be a caring employer who values its staff and wants to look after them.

A BUPA Health screen is an acceptable business expense and as such your staff would not be taxed for the provision of this screen.
