

HOW TO USE A HEALTHY DISCOUNTS DENTIST

It's important that you, or any family members covered by a Cigna dental plan, take this flyer or your member card with you when you visit a Healthy Discounts dentist.

If you're having treatment that's covered by your Cigna dental plan, just claim as you normally would. See the Cigna Guide to Claiming for this information.

Please note that even with this discount, your claim will be subject to the reimbursement limits and annual maximum benefits detailed in the List of Benefits within the Cigna Guide to Claiming.

If you're having treatment that's not covered by your Cigna dental plan, you must pay the treatment costs to the dentist yourself. Remember - you cannot make a claim to Cigna for treatment that's not covered by your Cigna dental plan. However you can enjoy a 20% saving on your treatment.

To find out more or to check if there's a Healthy Discounts dentist near you visit:

**www.cigna.co.uk/s-pages/healthydiscounts
or call 0808 234 0440**

Lines are open Monday to Friday 8am – 8pm.
